NXTLEVEL COLLECTIVE

FOR SCHOOLS AND COLLEGES

Your team knows your students. We bring the extra hands.

We work alongside your teachers, counselors and CST to add the career, money and transition programming you don't have time to staff.

Three ways to work with us

Clocked In school partnership

Pre-internship readiness, paid placements with vetted employers, post-internship classes and progress reporting.

Cost to school: No cost for eligible students (grant-funded). A proposal for the rest.

Classes on your campus

BUILD, MONEY and LEAD as 6-week workshop series or 12-week courses, with certificates and family updates.

Cost to school: A proposal, priced per cohort.

Refer a student

A simple referral form and status updates on each student.

Cost to school: Free.

Now selecting two pilot schools for 2026-27: one in Middlesex County and one in Mercer County.

The reports your school receives

- Attendance
- Skills gained
- Hours worked
- How the work lines up with each student's IEP transition goals

Book a 20-minute call
